

**B I C I C A P A C E**

the long and the short  
of utility bicycles

**COMFORTABLE**

**RELIABLE**

**SAFE**

**PRACTICAL**

Bicicapace means utility. We work to realize practical, reliable, safe and comfortable bikes.

We produce compact cargo and utility bikes that have a well defined loading volume immediately available.

We design and produce bicycles since 2010.

80 lt water-resistant bag available in Green/ Blue PVC or Cordura

One size step-thru frame with integrated dynamo hub Led light 30 lux

Reliable Gear Hub Nexus 3 or 8 speed with Shimano Roller Brakes

# CLASSIC

## Agile and compact

This new utility bike is **practical, handy** and perfect for **daily transportation**. It's available in two models, **the Family**, with the large front bag, and **the Work**, with a front flatbed. Mounting components of high quality, it becomes a very reliable and **low maintenance** bike.

Child pack with multifunctional basket, folding running boards and feet protection

Low-fixed loading areas

With Shimano Roller Brakes or mechanic disc brakes and very stable 55m Big Apple tires

# JUSTLONG

The whisk of the tail

The Justlong is a compact cargo bike **just 30cm longer** than the Classic model. It has 20" tires and a rigid frame tail to guarantee **good stability** even in heavy duty. It perfectly suits **family** necessities, **commercial** or **industrial** transportation.

50 lt frontal folding grey Cordura bag to fix on the large flatbed

Main triangle closed to give high rigidity

Magura hydraulic brakes

## SPORT

Looking for speed

They are Bicicapace fastest models. They have a **sportive riding position** and they're available in two sizes, for day work or cycle tourism.

**The Sport Ride** has a sportive external gear for fast commuting. **The Sport Tour** has the Alfine 8 or 11 to improve versatility and style.

## E-VERSION

### **Integrated motor**

torque sensor  
max. torque 70 Nm (Shimano STePS E8000)  
500Wh battery  
for Justlong with external gear
